

# 2019 Richardson Charity Golf Classic

Dear Richardson Charity Golf Classic Supporter,

We are pleased to invite you to the 29th Annual Richardson Charity Golf Classic on Thursday, August 22 at the **Lethbridge Country Club** in Lethbridge, AB.

The Richardson Charity Golf Classic is Richardson Oilseed's annual invitational golf tournament and brings together suppliers, customers and supporters of Richardson for a day of golf to raise funds for important causes in Lethbridge and its surrounding communities. Thanks to your valuable support and participation, the tournament has raised over \$2 million for organizations in Southern Alberta since its inception.

Four organizations will receive the proceeds from this year's tournament, including: Lethbridge Astronomy Society, Little League Alberta District #1 Foundation, Ability Resource Association and Winston Churchill High School. This year, we have set an aggressive fundraising goal of \$92,600, and we hope we can count on your continued support to reach this target.

Please see the attached document for details on becoming a sponsor for the 2019 Richardson Charity Golf Classic. Support from our sponsors helps make this event a success each year, and we want to make sure your sponsorship is the best fit for your organization. Please contact us and we can tailor your sponsorship package to meet your needs.

There are 144 golf spots available for this year's tournament, so be sure to register early to guarantee your spot. You are also invited to attend the Wine and Cheese reception at the Galt Museum on Wednesday, August 21. Our special guest is Olympic Gold Medalist Sami Jo Small, who won gold as a member of the Canadian women's hockey team in the 2002 Olympics in Salt Lake City.

Thank you for your continued support. We look forward to seeing you at the 2019 Richardson Charity Golf Classic. Please contact Sharon Wojtowicz at 403.329.5550 to discuss participation and sponsorship of this year's tournament.

Sincerely,

Darrell Sobkow  
Vice-President,  
Processing Operations
